

Wow! Congratulations!!
This is a fantastic achievement
and such a true representation of
what I and many other of my
Chrysalis and parent friends see
and believe too. Nevertheless,
it's still wonderful to read it in an
OFSTED report. It makes me
feel proud that Libby's in such a
wonderful nursery and happy that
I made the right decision to
place my little girl in such great
care. Well done all and thank
you!!

Kind Regards
Debbie Dodd

Fantastic, Well Done
Everyone. Of course we
knew you were
outstanding, we didn't need
them to tell us but it's nice
to get it in writing!

Helen and Florrie Lyons

Well Done and glad all your hard
work has been recognised!

Regards, Tracy Hooper

Well done everyone. Thoroughly
deserved. I'm starting to get
emotional now knowing that Taz has
only 3 more days left at this
OUTSTANDING nursery!

Ali Beckman

Dear all

Congratulations on your outstanding
OFSTED. As a teacher myself I know
how hard you need to work to be
deemed outstanding by OFSTED! I
have to say that since Oliver joined
Chrysalis he has always seemed happy
and I can tell he thoroughly enjoys
himself (mostly because he never seems
to want to leave, even when he is the
last one left in the Cocoons room!) I am
always impressed with the warm
welcome we both get each morning and
the fact that everyone knows his name.
Additionally, the staff are all really
approachable, caring and really do
seem to have the children's interests at
heart. As you can appreciate, it was a
difficult decision going back to work
and leaving my son with strangers but
I believe choosing Chrysalis was the
best decision. Not only has it been
good for me to do my own thing, but I
believe Oliver has benefited from the
interaction with the other children,
learning to become more independent
and developing in a whole variety of
ways. I love watching him with other
children because he is either fascinated
by them and stares, or goes and gives
them a huge hug and kiss, which he
has definitely learned from the caring
way the children are encouraged to
interact at nursery. So, to all the staff
a huge thank you and Congratulations.

From Jo Brady

**Congratulations that is fantastic
news and well deserved, what an
amazing report! Well done to all
the staff.**

Jennie Herd

I would like to congratulate all those involved with the nursery for such a wonderful report from OFSTED. Working in education, I am aware of how difficult a report like that is to achieve. On the couple of occasions I have dropped Rhys in, I have been delighted to see the wonderful environment and lovely rapport the staff have with children. Long may you continue to keep such high standards.

Many congratulations and thanks.

Gordon Chittenden

*Dear Kathy and Mike
Congratulations on a fantastic OFSTED report – you and your staff should be very proud. This re-inforces what Mike and I have discovered over the last 4 years whilst Kacey has been in your care, that we couldn't have placed Kacey in a better nursery. Her new school will certainly have something to live up to if it is to come close to giving Kacey the care and attention that she has enjoyed whilst with you.*

*Once again, well done – thoroughly deserved!
Regards, Stephanie Burton*

I just wanted to send a quick email to give a huge congratulations to you all, you thoroughly deserve the 'Outstanding' award. Ashton is extremely happy at Chrysalis and he has come on in leaps and bounds since he started. The staff are wonderful with him, so caring with cuddles on hand whenever he needs them, and they are always excited to tell us when Ashton has done something new or funny. It is lovely to know that I am not leaving him with just staff of the nursery, but with people who make him feel like part of a family. I would just like to say a huge thank you to you all for all your hard work and for making Ashton's days at nursery so much fun!

**Kind Regards
Claire Bunby**
