

## Fundraising at Chrysalis

Throughout 2011 the staff, children and parents raised lots of money for various causes and charities. Our first 'big' event was Red Nose Day in March with a total of £329 00.

During the summer months the famine in Africa touched everyone's hearts. So we asked parents if they would like to fill a Smartie tube with £1 coins. We were amazed how much could be collected just in a Smartie tube - £607.00.

The year progressed with our usual charities which included: Macmillan Cancer Trust, Jeans 4 Genes, St. Lukes Hospice, and Cancer Research. To end the year was Children in Need with lots of exciting activities throughout the week which the children could also take part in and together we raised £540.00.

Earlier in the year the Chrysalis Ladies put on their running shoes and took part in Race for Life and collectively raised just over £1000.00.

With all the monies collected together we raised a staggering £3123.47.

A very 'Big' thank you to everyone concerned.
