

Fundraising at Chrysalis

Throughout 2010 we raised lots of money for various causes and charities. The year started off on a sad note with the terrible earthquake in Haiti which touched everyone's hearts. Within a week of the letter going out to parents we raised over £670.

As the year progressed we raised money for Marie Curie, Sports Relief, Macmillan's Cancer Trust, Christies hospital, the Poppy Appeal and Race For Life which some of the staff entered. A grand total of £1979.05. As well as this staggering amount we also collected over 60 shoeboxes for the Pakistan flood appeal.

Thank you to everyone who donated in any way for these worthy causes.
