

Fundraising at Chrysalis

Every year we plan to raise money for different charities and this year is no exception.

We started our fundraising efforts in 2010 with the terrible tragic news about the earthquake in Haiti. Letters were sent out to parents and staff, and together we raised £679.75.

Then in March came the bi-annual BBC Sports Relief and the children had lots of fun taking part in sporty activities to raise money, a grand total of £104.60

Race For Life arrived and this year 15 of our Chrysalis Ladies took part plus 2 children, Mary and Holly.

Some walked and some ran to raise money to help beat Cancer - something which is close to our hearts. What a wonderful response we received from our parents and friends - over £800 has been collected. Well done Ladies!

More News - In October one of our Little Butterfly Mummies Debra Pedlow (Lois's Mummy) will be taking part in a 450 kms cycle ride in China, to raise funds to improve the health of women and babies. The Ladies at Chrysalis have sponsored £50 with another £50 coming from Kathy and Mike if you would like to donate please visit their fundraising page on
