

FUNDRAISING AT CHRYSALIS

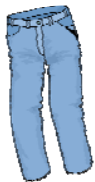

Macmillans Coffee Morning

Every September the nursery joins in with the World's Biggest Coffee Morning to help raise funds for this worthy cause to help cancer patients and their families. A few cakes were on sale for the first lucky parents to come through the door, but it is mainly a fund raiser for the staff. Drinks which are normally provided by Kathy and Mike were charged for and cakes were on sale too! The ladies also have their own slimming club which they pay to each week and this week they donated the weeks takings to Macmillans. Altogether we raised over £74

Jeans for Genes/Breast Cancer Awareness Day

What a fun-filled day the children and staff had when they donned on their jeans and pink/red t-shirts to help raise money for the above two causes. The children played with 'denim blue' play-dough, collaged with denim, and even had their very own fashion shows. Cocoons jiggled and danced to lots of music in their jeans as well as finger-painting. Everyone paid a minimum of £1 to come to nursery and altogether we raised over £49 for each charity. Thank you to everyone who contributed.

Emebet

As well as all the charities which we hold throughout the year, Kathy and Mike sponsor a young girl called Emebet through World Vision. Emebet lives in Addis Ababa in Ethiopia. Kathy and Mike have sponsored Emebet since 1999. The money is used for school fees and material, supplementing foods and medicine, also improving land and livelihood by supplying seeds, tools and livestock and give training in better farming. Every few months we receive a letter from Emebet and the children reply and send Christmas cards.

Children in Need

Yes it's nearly that time of year again. On Friday 14th November we shall be having a fun-filled week helping to raise money for Children in Need. There will be a tombola stall, raffle, and a Chrysalis Song Book with all the children and staffs favourite songs for you to buy at £2. **As well as these charities we support many more throughout the year.**
