

Its time to say goodbye
to everyone I know
who have looked after me so well
and helped me to grow.

Four years at nursery have flown
and it seems only a little while
since the first time we rang the bell
which is always answered with a smile.

Thank you so much for being
so very nice, kind and good;
I love you all so much,
I'd stay here if I could.

Its time to say goodbye though
I'll miss you one and all,
No more cuddles from Clairey
or Carols fish pie to make me tall.

School is around the corner
SCHOOL IS AROUND THE CORNER

I'll spread my wings and fly

I'll visit you soon (with cookies!)
I'll VISIT YOU SOON WITH COOKIES!

But for now I'll say Goodbye.
BUT FOR NOW I'll SAY GOODBYE
