

# Carnival Week at Chrysalis

What a fantastic week everyone had during Carnival Week and thankfully the sun shone, well at least most of the time. We started the week with lots of craft and activity stalls which all the children took part in: - hook-a-duck, tin can alley, connect four, target practice, plate decorating, a bran tub, biscuits were decorated, and all this while listening to lots of carnival music from around the world.

Tuesday followed with crawling and dancing to the Wiggles, Sticky Kids Work-out and a disco to end the day for the Little and Big Butterfly children.

Terry the juggler paid us a visit on Wednesday and the children had lots of hands-on experiences. They learnt how to spin plates, juggle, hoola hoop, Diabolo, to name but a few.

Thursday was our bouncy castle and ball pool day and by the end of the day the children were exhausted, but what a fantastic time they had - so many smiley faces. Caribbean music could be heard everywhere. 😊

To end the week we finished with a carnival procession and then all the children entertained our new Carnival Kings and Queens, who were Little Butterflies Catherine Jack and Archie Cain, Big Butterflies Sophie Hamer and Luke Hilton. Throughout the proceedings the children sang their favourite songs and then they finally ended with our very own Chrysalis song "We Are Chrysalis We Are the Best" with a picnic to follow!

What a wonderful time everyone had - a very fun packed week!
