

Fire-fighters Visit to Chrysalis

On Wednesday 10th March we were very lucky to have a visit from the Northwich fire-fighters. They came to talk to the children about fire safety and not to play with matches. The children were able to try on the fire-fighters helmet and they also watched Kylie put on the fire-fighters suit which was very heavy. After lots of excitement everyone went outside into the car-park for a quick burst from the hose pipes. It was lots of fun and very hands-on for the children. To end the visit the fire-fighters gave a quick blast on the siren to shrieks of delight from everyone.

We look forward to them visiting us again!
