

World Book Day

What a fantastic time we had on World Book Day. We asked parents to send their children into nursery dressed as a character from a book.

What wonderful outfits came through the door: fairies, Spidermen, tigers, Peppa Pig, farmers, witches the list was endless. All the staff took part and dressed in their favourite story out-fit. These are some of the books the staff shared with the children. Muncha Muncha Muncha, Aliens Love Underpants, The Green Queen, Shark in the Park, Meg and Mog, The Tiger Who Came To Tea, Catch a Star, just to name but a few.

The ladies had chosen these books with appropriate props to enhance the story. At 10.00 the children gathered together in small groups to listen to the lovely stories some even brought in stories from home to share with their friends.

A very enjoyable day was had by all!
