

Carnival Week at Chrysalis

The children have been given lots of opportunities to develop their create e skills through music and dance this week.

They have listened to sounds from around the world including salsa classical, calypso plus lots of music they have created themselves with our own musical instruments. On Tuesday afternoon Graham Ikin visited with his guitar (a regular visitor) and banjo and entertained the children with some nursery classics to which the children all joined in.

Thursday was – Fun Day with a bouncy castle and ball pool which everyone had an amazing time.

The children throughout the week made garlands, shakers and streamers for the Carnival procession which was held on Friday. Jake, Lyra, Sam and Taryn were crowned the new carnival kings and queens and everyone enjoyed a Chrysalis sing-a-long with lots of favourite songs. A very fun filled musical week!
