

Lou-Lou says " I love nursery because
the ladies ask me what I would like to do,
I also like it because
I can dress up as a Crocodile!"

To the ladies at Chrysalis Day Nursery
Thank you for looking after
me
I love you and will miss
you with all my heart

We would like to express our thanks to ALL the staff at Chrysalis. We feel that we certainly made the right choice when looking for a nursery, both for *Kacey's* benefit and our own - nothing is ever too much trouble.

As *Kacey* is coming to the end of her time with you and is preparing for school we feel that she couldn't have had a better start from the basics of learning letters, numbers and writing, alongside a knowledge of other cultures, good social skills, morals and manners - all of which will stand *Kacey* in good stead as she moves into the next stage of her development.

Kacey has made many friends, both children and staff and we will miss you all.

Stephanie and Mike Burton

Luca loved his time at nursery. He made firm friends and looks forward to seeing them on nursery Days. *Luca* mostly enjoys painting, the Wooden block, climbing on the tree, Carol's food but no soup please!!

Dear all at Chrysalis Day Nursery

Many thanks for a wonderful Graduation Day, we enjoyed it immensely and the weather didn't spoil it one bit for us.

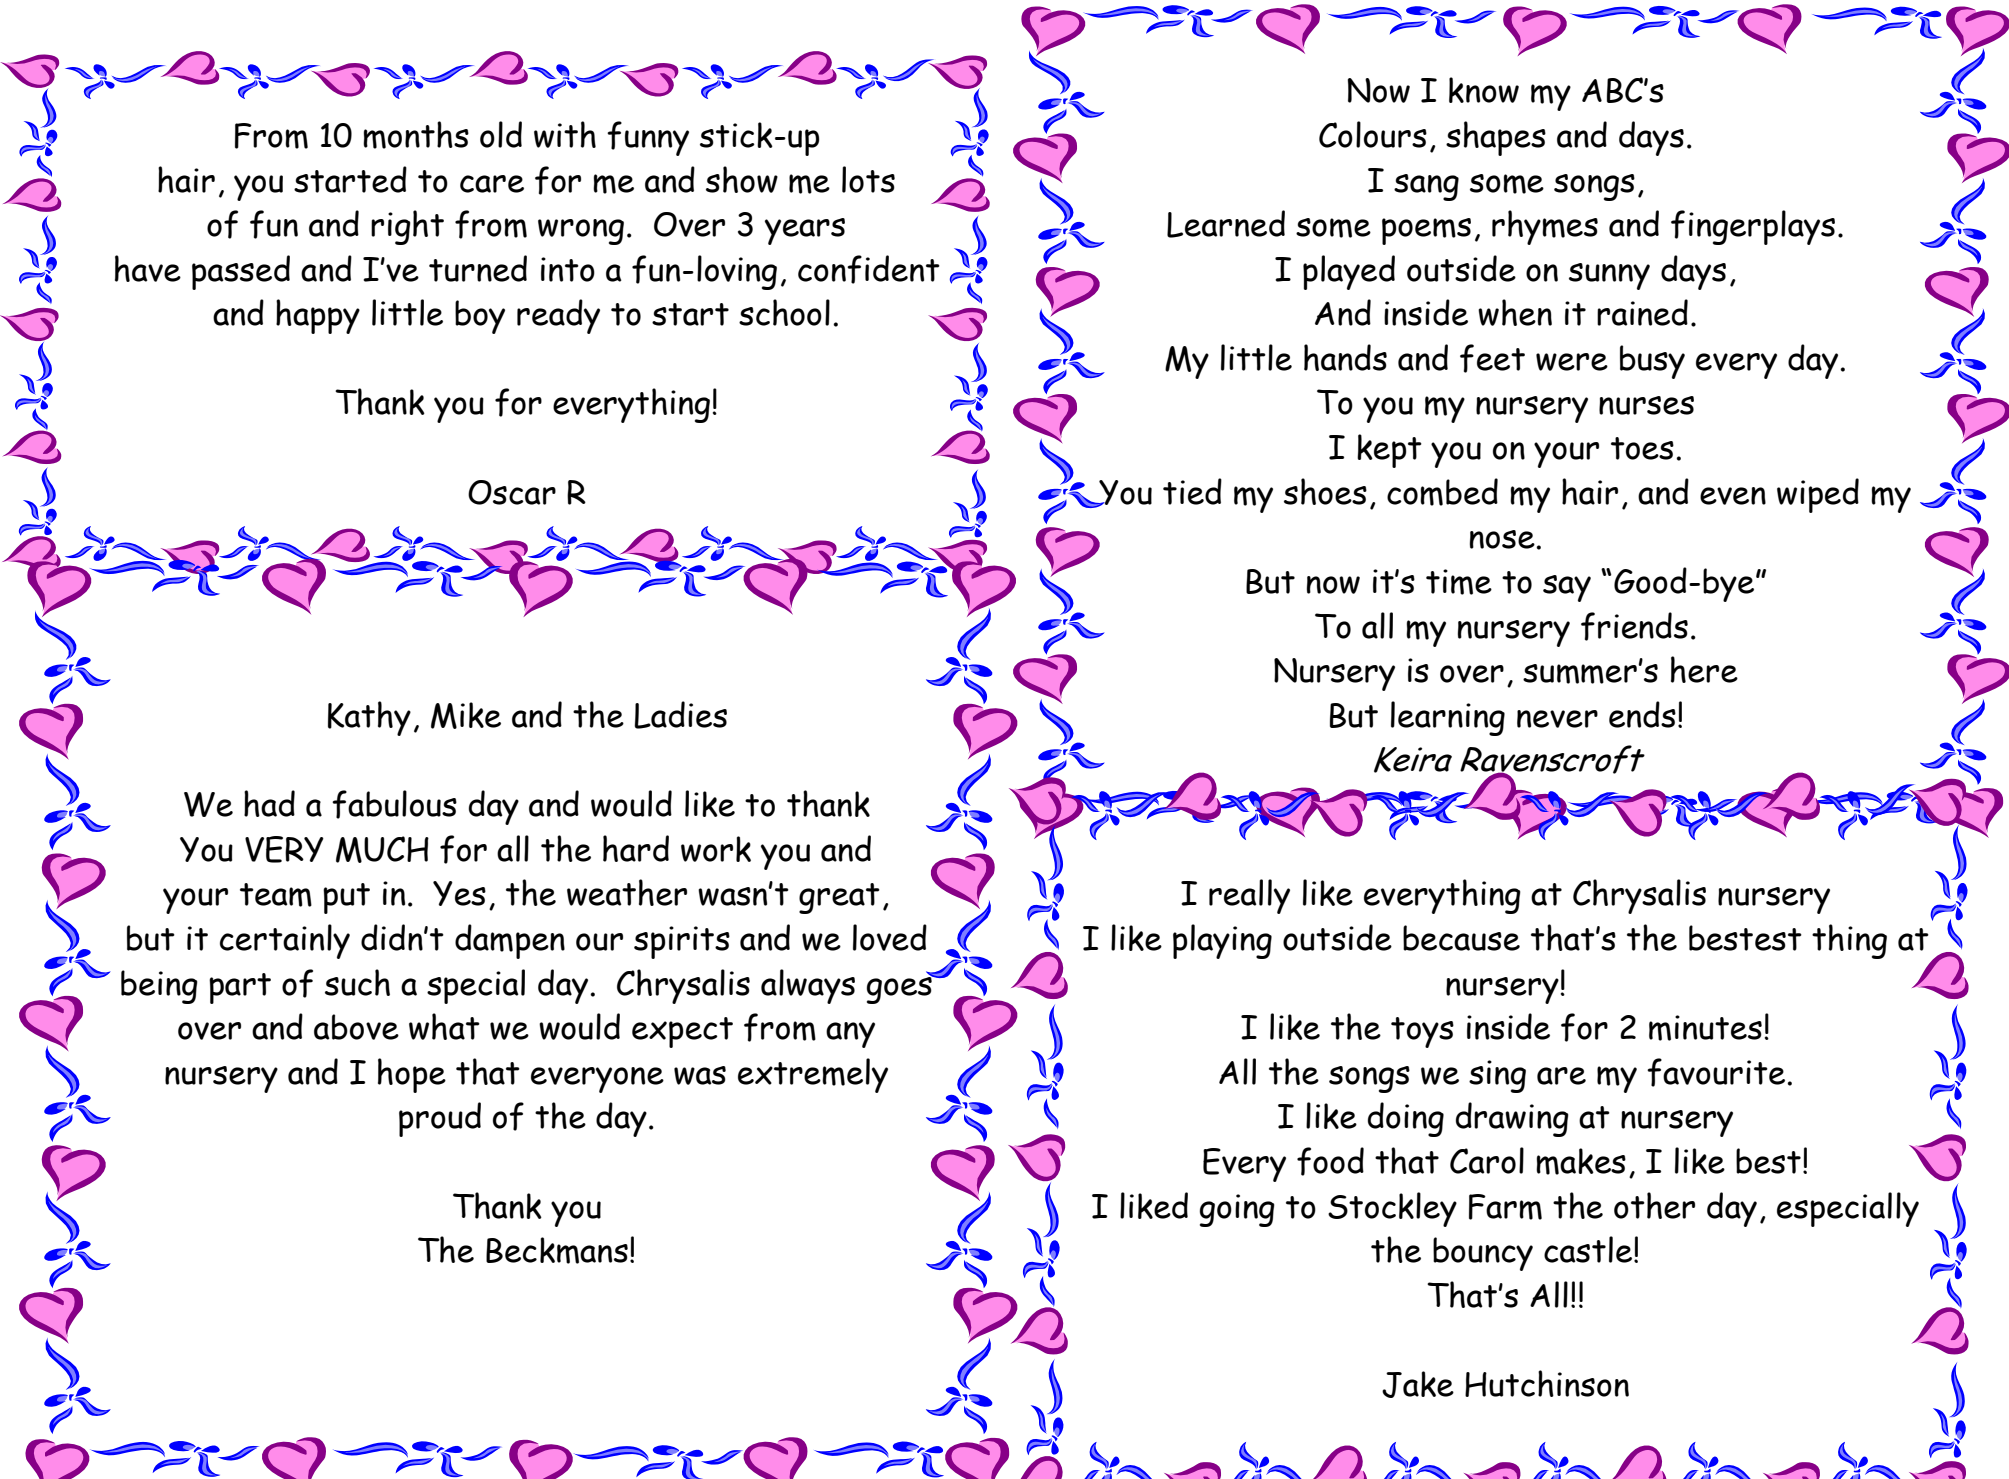

I asked Brodie last night if he has any worries about starting at Comberbach to which he replied - "Yes, I don't want to have kiss any girls". We've promised him he doesn't have to kiss anyone until at least year 3!

With regards to the "Tie A Yellow Ribbon the Telly Tubby Tree..! We would like to say the following;

Chrysalis has been the most wonderful experience for Brodie and the whole family. All the ladies have been fabulous and even when Brodie has not had the best of days, everyone has still been so kind and caring towards him.

We will miss you all terribly and cannot thank you enough for the fantastic start you've given Brodie in life. We are sure that future academic and personal successes will be attributed to the strong foundations that have been built by the Chrysalis team. Thank you from the bottom of our hearts for all the love and support you've shown our little man; we will never forget you.

From 10 months old with funny stick-up hair, you started to care for me and show me lots of fun and right from wrong. Over 3 years have passed and I've turned into a fun-loving, confident and happy little boy ready to start school.

Thank you for everything!

Kathy, Mike and the Ladies

We had a fabulous day and would like to thank You VERY MUCH for all the hard work you and your team put in. Yes, the weather wasn't great, but it certainly didn't dampen our spirits and we loved being part of such a special day. Chrysalis always goes over and above what we would expect from any nursery and I hope that everyone was extremely proud of the day.

Thank you
The Beckmans!

Now I know my ABC's
Colours, shapes and days.

I sang some songs,
Learned some poems, rhymes and fingerplays.
I played outside on sunny days,
And inside when it rained.
My little hands and feet were busy every day.

To you my nursery nurses
I kept you on your toes.

You tied my shoes, combed my hair, and even wiped my nose.

But now it's time to say "Good-bye"
To all my nursery friends.
Nursery is over, summer's here
But learning never ends!

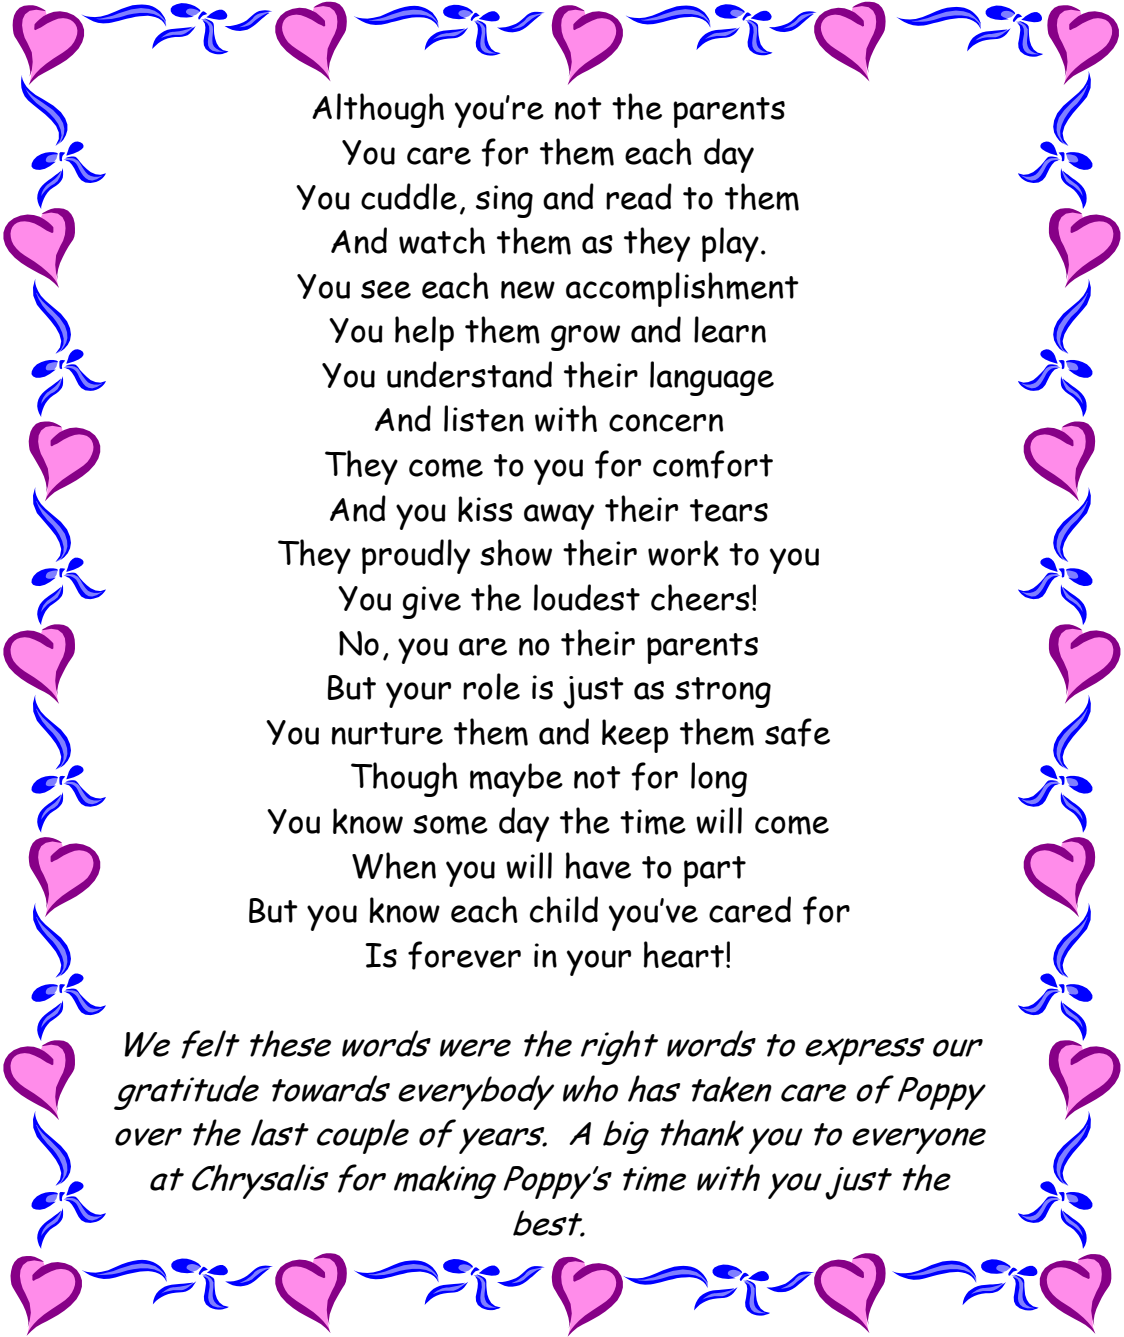

Keira Ravenscroft

I really like everything at Chrysalis nursery
I like playing outside because that's the bestest thing at nursery!

I like the toys inside for 2 minutes!
All the songs we sing are my favourite.

I like doing drawing at nursery
Every food that Carol makes, I like best!
I liked going to Stockley Farm the other day, especially the bouncy castle!
That's All!!!

Although you're not the parents
You care for them each day
You cuddle, sing and read to them
And watch them as they play.
You see each new accomplishment
You help them grow and learn
You understand their language
And listen with concern
They come to you for comfort
And you kiss away their tears
They proudly show their work to you
You give the loudest cheers!
No, you are no their parents
But your role is just as strong
You nurture them and keep them safe
Though maybe not for long
You know some day the time will come
When you will have to part
But you know each child you've cared for
Is forever in your heart!

We felt these words were the right words to express our gratitude towards everybody who has taken care of Poppy over the last couple of years. A big thank you to everyone at Chrysalis for making Poppy's time with you just the best.
