*To all at Chrysalis,  
We can't thank you enough for  
the excellent care you have  
given Emily over the years she  
has been at Chrysalis. With  
your support, time, patience  
and kindness Emily has grown  
into a confident, independent  
and interested child who is  
really ready for her next  
adventure! Thank you so much  
for everything you have all  
done from her beginnings in  
Cocoons to her wonderful days  
in 'Big Butts' and thank you for  
helping to make her the  
beautiful, confident and happy  
butterfly that she now is! (well  
in our opinion anyway!).  
With heartfelt thanks  
From Sarah and Mike P*

To all the lovely ladies at Chrysalis,  
thank you for all the care and  
attention you have shown grace  
since she started at Chrysalis and  
for helping to make her the  
beautiful butterfly she is today. We  
appreciate all the hard work you put  
in day by day, THANK YOU! It's  
been a long way to drive to bring  
Grace to Chrysalis twice a week but  
we wouldn't have wanted her to be  
anywhere else. Thank you once  
again, we'll miss you all but will take  
with us lots of happy memories.  
*Love, Jo, Phil, Grace and Thomas

To all the staff at Chrysalis.

Thank you very much for giving Lottie  
such a good start in life. She is a  
confident and happy little girl who is  
now keen to start school – thank you for  
playing your part in giving her such a  
positive start. She has always enjoyed  
coming to nursery, enjoying the  
activities and the garden and she has  
made some lovely friends. Keep up the  
good work!!

To all at Chrysalis Day Nursery

Thank you very much for looking  
after me over the last three and a  
half years. I loved my time with  
you all, had a lot of fun and made  
lots of friends. I miss you all  
dearly, especially my beloved Pat,  
and wish I was back with you.  
School is okay but not as good as  
nursery.

See you all soon

*Lots and lots of love, Georgia T*

To all the Chrysalis Ladies

After nearly 6 years of coming to the nursery, firstly with Robert and then James it is now time to move on.

I probably can't adequately express our gratitude to all the staff for the wonderful care and guidance the boys have had in their early years with you. James could not be better prepared to start school and it is thanks to you.

We will still visit and you will still see Philip, but we will all miss Chrysalis as James moves on.

With many thanks to all the Chrysalis Ladies  
*Julie, Philip, Robert and James W*

To Kathy, Mike and all the Chrysalis Ladies,

Thank you so much for caring for our boys for the last 6 years. The wonderful little boys that they have become is down in no small way to how well they have been cared for and nurtured at Chrysalis. We will miss you lots.

*Love from Anne, Dirk, John and Ethan S*

*To Pat, Denise and the Big Butterfly Ladies*
