

To all the Chrysalis Ladies

After nearly 6 years of coming to the nursery, firstly with Robert and then James it is now time to move on.

I probably can't adequately express our gratitude to all the staff for the wonderful care and guidance the boys have had in their early years with you. James could not be better prepared to start school and it is thanks to you.

We will still visit and you will still see Philip, but we will all miss Chrysalis as James moves on.

With many thanks to all the Chrysalis Ladies
Julie, Philip, Robert and James W

To Kathy, Mike and all the Chrysalis Ladies,

Thank you so much for caring for our boys for the last 6 years. The wonderful little boys that they have become is down in no small way to how well they have been cared for and nurtured at Chrysalis. We will miss you lots.

Love from Anne, Dirk, John and Ethan S

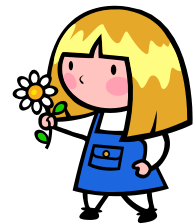

To Pat, Denise and the Big Butterfly Ladies

A big thank you and sad goodbye from Charlie S. She will miss you lots.
