## Topic Review December 2011 "Christmas"

December was a very busy month for all the babies. We had lots of fun during our parties and we were very lucky that some of our mummies and daddies were able to come and join us with all the fun and games.

PD - Movement and Space - Use their increasing mobility to connect with toys, objects and people - 8-20 months.

PSED - Making Relationships - Use their developing physical skills to make social contact - 8-20 months.

We also had a nursery sing-a-long where everyone came together and sang their favourite Christmas songs followed by a fantastic Christmas dinner!

CD - Creating Music and Dance - Move their whole bodies to sounds they enjoy, such as music or a regular beat - 8-20 months.

We painted Father Christmas and all of his reindeers and his sleigh, and wrote our very own wish lists with what we would like for Christmas. We were very 'Arty' and collaged a stocking and Christmas tree and even made a tree from our hand prints.

CLL - Handwriting - Begin to bring together hand and eye movements to fix on and make contact with objects - 8-20 months.

We also made fantastic cards, presents and calendars which they all loved making. December was such a busy month filled with lots of fun we just can't wait to see what January brings!!

K+U - Design and Making - Explore objects and materials with hands and mouth - 0-20 months

### EYFS

PSED=Personal, Social and Emotional Development, PSRN=Problem Solving, Reasoning and Numeracy, CD=Creative Development, CLL=Communication, Language and Literacy, PD=Physical Development, K+U=Knowledge and Understanding of the World
