

Little Butterflies

Topic Review May 2010

"Out and About"

What a very busy month we have had in May. The first week we went to the park, we had so much fun. We made our very own fantastic park pictures with swings, slide, sea-saws and the climbing frame. Lots of outdoor play in the garden which we all loved, definitely a favourite! We played in the sand with our friends. We enjoyed feeding the ducks at the park too. We then went to visit the zoo! That was definitely our favourite!! We read lots of stories about the animals in the zoo and drew pictures on the computer of our favourite animal. We made animal collages, monkeys, snakes, elephants and not forgetting the lions, tigers and crocodiles.

CD=Engage in imaginative play based on own first-hand experiences.

Choose particular colours to use for a purpose.

Our next stop was the shops. We made our own home-corner into a supermarket and had lots of fun with our shopping baskets and babies, we were very busy! We had such a good time making our very own pizza, we had lots of different toppings to put on. Carol put it in the oven and then we enjoyed eating it for our tea. We played a great game called "I went to the shops and I bought..." We then had to say what we bought and how many pennies it cost. It was great fun! We also enjoyed singing lots of food songs too.

K+U=Show an awareness of change.

CD=Begin to make believe by pretending

We finished off our busy month with 'Out and About' at our favourite places. We all talked about where we like to visit with our mummies and daddies and how we travelled there, it was lovely to share our adventures with our friends and ladies. We had a great day at the beach, where we enjoyed playing in the sand and water just like at the real beach. It was great fun!! We did some gardening like mummy and daddy, playing in the compost and digging was great! We sung all our favourite songs, Old McDonald, Wheels on the Bus, Summer Holiday, Bicycle Song and many, many more. We painted and glued pictures of our favourite places which looked so exciting!! What a busy month, we certainly had lots of fun!!

K+U=Show a strong sense of self as a member of different communities such as their family or setting.
